write into football

Sheet Two

Let's think about writing using senses. We have up to five senses that people use these are touch, sight, sound, taste and smell. If you were at the football ground what things would you be able to touch, see, hear, taste and smell? Try to think of as many as possible and write them down below. Remember to just put pen or pencil to paper and have a go!

* What can you hear?

* What can you see?

* What can you smell?

* What can you touch?

* What can you taste?

Excellent work! Now write down your favourite 8 from all your different senses
below

We're nearly there! So now we need to think about making the above list of things into verses. Now remember in this song each verse is 4 lines. I'll write down the lines that need to rhyme to help you along. Both these verses are about what it feels like to be at the ground with everything that is going on around you.

A lines rhyme together and B lines rhyme together.
