write into football

Sheet Four

Let's think about what it's like when you try to explain to someone, why you love something so much. It could be cooking, Xbox, Minecraft, Little Mix, History, School, Dinosaurs or in this case football. How you describe that feeling to a friend? Does it make you happy? Does it make you feel like you're good at something? Does it make you feel a part of something? Same as the other sheets I've popped some questions below. Happy Writing!

* What is it about watching or playing football that makes you feel really happy?
(remember you're allowed to use your imagination)

* What is it about being part of a team that gives you a feeling of belonging?

* What does "feeling proud" mean to you?

Excellent work! Now write down your favourite 4 things from the answers you've given above

We're nearly there! So now we need to think about making the above list of things into a bridge. Now remember in this song each section is 4 lines. I'll write down the lines that need to rhyme to help you along. Remember this part of the song is quiet and thoughtful.

A lines rhyme together. B lines rhyme together.
